

Use this form to help you prepare to submit the Pentecost 2025 application at www.nadadventist.org/pentecost2025

Some helpful tips as you use this worksheet:

Your plans for a Pentecost 2025 initiative **must** be approved by your church/school board before the online application is filled out. Consider taking this worksheet to your board meeting and set aside time to fill it out, then vote and approve.

Take your time and read each section carefully. Depending on your answers in the online form, new questions may appear which aren't on this worksheet, follow the instructions on the screen.

When filling out the form on the website, there are navigation arrows along the bottom of the screen, allowing you to go forward and backward through the application to make adjustments. Some fields are required, and you will not be allowed to submit the application until those requirements are met.

When providing your contact information in questions 3-9, an option will be given to receive SMS/text notifications, in addition to email notifications.
